How do we protect your information? Accessing, modifying or erasing your Personally Identifiable Information

We only provide articles and information.

We never ask for credit card or other payment method information.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user enters, submits, or accesses their information to maintain the safety of your personal information. The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Your Personal Information is erased from our storage system immediately when the data are no longer needed for their original processing purpose.

You can ask us at any time to access, erase or modify your Personal Information from our data storage system. Use our contact details to request this.

Do we use cookies?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

Understand and save user's preferences for future visits

To measure the effectiveness and to improve the content of advertising campaigns for our services and products.

Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.

Cookies type. Your options:

We use Google Analytics: provider – Google; expiry – 1 year; type – HTTPS.

Google Analytics drops different cookies to collect data about website traffic and users' preferences, like the number of visits, duration of visits, the user first and last visit of the website, user location, what search term was used, the type of device and browser used for the search etc. **IP addresses** are not available in Google Analytics reports. Although **Google does collect IP addresses**, Google doesn't provide that data to end users.

We use Google Ads, a platform for Google advertising products that receive data from our site. Please access [this link](#) to understand [how Google uses information from sites or apps that use Google advertising services](#).

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies. However, if you do not accept cookies, you may not be able to access some portions of our Site.

Third-party disclosure and your right to take an informed decision

We will not submit your personal information to third parties without your permission and we will always give you all the information at our disposal, so you can take an informed decision.

We do not sell or otherwise trade your Personally Identifiable Information.

Third-party links

Occasionally, at our discretion, we may include or offer third-party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.
